C2 OVEN CHAIN

Benefits

- Improved solution available
- Decrease spindle change time by 70 %
- Increase machine global efficiency (by reducing spindle change time)
- OEM equivalent, high quality
- Fully inspected unit and pitch
- Plug and play unit
- All combinations are available with personalized rebuilt kits
- Fully compatible with OEM components

LAMP

Benefits

- High efficiency: reduced running cost
- Life 5000+ hours: reduced replacement cost
- Most energy-efficient reflector coating
- Compatible with all machine models
- Clear or ceramic coated
- Clear lamps compatible with external reflectors
- 1200W – 3000W
